McARTHUR, OHIO:

THURSDAY, OCTOBER 17, 1867
THE DEMOCRATIC ENQUIRER
Has the largest circulation of any paper
in Vinton County. Advertisers and
others will please make a note of this.

Notice to Campaign Subscribers.

We would like to have all our
campaign subscribers renew
their subscriptions for a year,
the terms being only \$1.50.—
We will continue to send the
papers to all until we are no-
tified to discontinue them.

Every campaign subscriber
can afford to pay the small sum
of \$1.50 a year for his county
paper, or 75 cents for six
months, or \$1 a year at Post
Offices where clubs have been
got up.

LATE returns show that HAYES has
a majority of about 1,700 over Judge
THURMAN, for Governor. The election
will be contested. At Xenia about
500 negroes, black as the ace of spades,
voted; at Cleveland, 700 voted; at
Oberlin, about 500 voted; and in other
parts of the State, about 1,000 vot-
ed. The Democrats will have a major-
ity in both branches of the Legisla-
ture.

In to-day's paper will be found the
official abstract of the votes cast in the
several townships of Vinton county,
on the 8th inst. It will be seen that
the Rads carried only four townships
—Elk, by 22 majority; Jackson, by 16,
Swan, by 91, and Knox, by 3.

Last year the Rads had a majority
of 14, on the State ticket, in the coun-
ty; and it will be seen that the Demo-
crats have, this year, a majority of
332 on the State ticket—a gain of 346.
The teachings of the Democratic
Enquirer, during the short time it has
been published, has greatly aided in
bringing about this great
change. Next year we hope to see a
greater change—at least 500 majority
in Vinton county for the Democracy!

The Negro Suffrage Amendment
received a majority in only one town-
ship—Swan.
A fellow, whose name appears to be
Bratton, received a few Radical votes
in some of the townships for Prosecut-
ing Attorney. Job Lucas, who keeps
an excellent Barber Shop in this town,
also received 2 votes for Prosecut-
ing Attorney, but we guess Job don't want
the office.

JACKSON COUNTY.—Old Jackson
county done nobly at the late election.
The Democrats made a nice gain on
the Radicals of 225. The Rads car-
ried the county by only 40 on the
State ticket, and the Democrats
elected part of the county ticket.—
The Rep., Democrat, was elected by
28 majority; VINTON POWERS, Demo-
crat, was elected Com. by 193 major-
ity; the votes for J. R. BOOTH, Demo-
crat, and D. W. CHERRINGTON, Radical,
for Treasurer, were a tie—1,840 each
—and lots were cast, and Mr. BOOTH
obtained the office.

LET the women vote.—Democratic
Enquirer.

Do you favor that proposition,
neighbor?—Vinton Record.

The Record is in favor of giving all
the black Africans in the country the
right to vote and opposed to giving
the women the same right.

It is in favor of elevating the nig-
gers and degrading the white women.
We are in favor of letting the women
vote instead of the niggers.

If more voters are needed in this
State, let the white women have the
right of suffrage.

Let white brothers and sisters, fath-
ers and mothers, husbands and wives
all go together to the polls and vote—
not in company with Africans!

Not any nigger for us, if you please
—not any!

Let more be done for women and
less for niggers!

If the Record men want to vote with
the niggers, they have the right to go
to some "hidden land" and "organize"
a colony, vote for a negro President,
etc., and not wait for its party to "give
instructions."

We fought and worked with a clear
conscience.—Vinton Record.

The vote on the amendment does
not confirm that statement!

Saving Money!

"Why do DAN. WILL &
BROS. sell so many Goods?"
asked a countryman, the other
day, who had visited their store-
room when it was full of cus-
tomers.

Well, because they always
purchase the best assortment of
the latest styles of Goods to be
found in the Eastern market,
FOR CASH, and sell them at
very small profits, and at lower
figures than any other House.
Just go and see!

OHIO ANNUAL CONFERENCE.—The
56th Annual Conference of the M. E.
Church was in session at Ironton, O.,

ters, for the coming year, in the sev-
eral districts; and as follows for this

The Rev. Delay was silenced at this
session for conducting himself im-
properly.

We fought the issue fairly and bold-
ly.—Vinton Record.

And so did the Rev. Joe Bennett!
He declared "fairly and boldly" that
he wasn't a "cussed coward!"

But let us see whether you "fought
the issue fairly!"
Why did you print counterfeit tick-
ets and send them to Madison Town-
ship? Here is a copy of the counter-
feit ticket you printed:

ticket, Democrats of Vinton county!
See what honest men we have in our
midst! Print counterfeit tickets and
then boast of "fighting fairly!" Yes,
that is "fairly!" Placing JOHN FEE
in a Democratic ticket! How "fair-
ly" you "fought the issue!" Do not
go to counterfeiting greenbacks and
bonds!

Those wishing to purchase an excellent
Sewing Machine would do well to call this
office. We can sell you a Sewing Machine
that is durable and which will be useful to
Saddlers, Boot and Shoe Manufacturers, Tail-
ors, Hatters, and Upholsterers. Terms

PHILADELPHIA MANUFACTURES.—
We are somewhat astonished to no-
tice that the Quaker city of Philadel-
phia puts forth a claim to being, not
only the greatest manufacturing city
on this continent, but, with the ex-
ception of London, the greatest in the
world. We are all familiar with its
advantages as a quiet and pleasant
place of residence; but that it should
claim to be a great industrial centre,
will be news to many. As the mat-
ter is one, however, in which our mer-
chants are directly interested, and the
consumers of goods indirectly, we
will give a brief synopsis of its claims.
In 1860, according to the Census
returns, there were in Philadelphia,
6,298 manufacturing establishments, a
capital of \$73,318,885, which employed 98,000
hands, and produced an annual value
of \$136,000,000. Recently, Mr. EDWIN
T. FREEDLEY, a well known author,
has prepared a volume of 700 pages,
on the Manufactures of Philadelphia,
and demonstrated that, in 1866, the
factories produced over two hundred
millions of dollars of staple goods!—
This is an astounding exhibit; no
other city on the American continent
approximates this amount. In 1855,
the State of Massachusetts, including
Boston, Lowell, and all her famous
manufacturing towns, did not produce
more than two hundred and forty
millions. In 1860, New York had
only seven small Cotton Goods Manu-
factories, and no Woolen mills; Phila-
delphia is now the commercial centre
of two hundred and sixty Cotton and
Woolen factories, and has besides, sev-
eral thousand hand looms, of which
the annual product is equal to that of
seventy additional mills of average
size. The class of Dry Goods manu-
factured in Philadelphia is of those
low priced staple goods, which are es-
pecially adapted to the wants of the
people in the Middle, Western, and
Southern States. Millions of yards
of Pantaloonery, Cottonades, Checks
& Stripes, Tickings, Osnaburgs, Ken-
tucky Jeans, and Narrow Textile
Fabrics, are made there every year.
Of Carpetings, the product amounts
to nearly ten millions of dollars; of

A HORRID DECEPTION!

A YOUNG LADY SHOCKINGLY DECEIVED!!

Not long since, a young man supposed to
possess good principles, but no fortune, of-
fered his hand and heart to a fair young
lady with snug little fortune of \$50,000.—
The offer was fully considered, and finally
refused, on the ground that the young man
showed too many years above the young
lady; though he was really but twenty-six.
Yet his fine side whiskers and hair were
tinged with an awful sprinkling of hoary
white and gray, and fairly indicated a
round score more of years than he had re-
ally seen. To the young man the refusal
came like a frosty blanket in a cold night.
What was to be done? What could be
done? True, his head came out from under
his "Felix" white as a cop after a "BOW
storm"—but must this divide them.

At once he left the city. Time passed on,
and the young lady received another offer.
No objection to the fine and beautiful lover
could be found. His head was PERFECT
and his raven locks had a most bewitching
lustre. Due time was taken and the other
accepted; the day fixed; every desired prepa-
ration made; the minister notified, and
the thing done. She happy couple departed
in matrimonial peace and triumph.

Three balmy days passed away, when the
loving young husband threw his gentle arms
around his better half by \$20,000, and said,
"Darling, what do you think of my white
hair now?" The startled and astonished
bride with uplifted hands, exclaimed, "How
can it be possible? Am I deceived?
Is it possible?" The smiling, jubilant
husband replied, "No, you are not de-
ceived, it is I, you are xix." And this I
owe to "Van Allen's Vegetable Hair Restor-
er!"

And this article we now offer you never
had its equal on the American Continent.
We don't recommend you to play the cheat
by its magic influence, but we do say:

1st.—It will positively restore the whitest
hair on the heads of the oldest persons to its
original color and beauty, while it often
brings out a luxuriant growth where the
hair is entirely gone, without staining the
finest fabric.

2nd.—People whose heads may have become
gray may readily have their hair restored
and their heads once more covered with
shining silky locks, and tresses never sur-
passed in beauty even in early youth.

3rd.—Every disease to which the hair and
scalp are subject, finds a healing, restoring
balm in this preparation.

4th.—As a dressing no one claims it has
an equal, either in richness of its perfume,
or its tendency to keep the hair in its proper
place.

5th.—If you want white hair made beau-
tiful as in youth, gray hair perfectly restored,
a dandruff head permanently cleaned, and
itching scalp purified, loose hair made fast,
in short, your head covered with the beauty
of raven locks, and silken tresses, you have
only to use

"VAN ALLEN'S VEGETABLE HAIR
RESTORER."
